

I want to thank everyone who voted for me to serve as President of the Magic City Boppers for 2026. We have had some great leadership in the past, and our board is working on behalf of all of our members to make 2026 a great year.

We are striving to give our members outstanding VFW parties. We plan to have food at every VFW event. January was a great party with food and decorations that left most members complementing us on a great party. February and every month thereafter will be the same.

Also, we are planning special events starting with a Panama Beach Party in April. Its been a few years since we last hosted a beach party, so we are planning to have one that will be a great success.

There will be other “special events” as we go further into 2026. But, all of this is dependent on two things: Membership and Attendence. It is critical that we have excellent attendance so that we can raise money to give you the best value for your money. We will have fundraisers to help with our efforts beginning in February with a planned Silent Auction.

So, if you are looking for a social club made up of people from our generation, look no further. We truly believe that we have the #1 club for Seniors in Birmingham. And remember, our board of directors is focused on providing fun and events strickly for our members.

Thank you again,

Shellie Waites

President
